Hey Dante,

Sorry I missed you today.

I received your voice mail.

Glad you met Rebecca and discussed the MSCA.

Remember for Yerington specific discussions she is only peripheral, so talking about your thoughts on the CCP with her probably didn't mean much because she doesn't really know the context or background. Just FYI for you to keep Yerington specific discussions more steered to me.

I will be out the rest of this week and returning on Monday.

We have our monthly RPM call on Monday afternoon.

Maybe we can squeeze in a little extra time around that call for you and I to discuss your CCP comments.

Talk with you then.

Happy 4'th.
